

Vaccination against COVID-19

You have the right to vaccination if you are an asylum-seeker or without documents. You do not have to pay for vaccination against COVID-19. It is up to you to decide whether to get the vaccine.

COVID-19 is an infectious disease that spreads easily. Vaccination is the most effective way of avoiding serious illness or death due to the disease. Everyone aged 18 or older will be offered vaccination.

How to book an appointment

Call Region Dalarna's phone support at 010-249 92 88. The phone support is open weekdays 8:00 a.m.-4:00 p.m.

The person who answers will talk in Swedish but English is spoken too. They can help you book an appointment for vaccination even if you do not have a Swedish personal ID number or electronic ID.

Professional secrecy

Healthcare staff and interpreters have a professional secrecy obligation. That means they are not allowed to talk to other people about things you say unless you give them permission to do so. The information you give healthcare staff or interpreters will not affect your chances of staying in Sweden.
